**Civility:** Being "civil" is not a restraint on the First Amendment right to speak out, but it is more than just being polite. Civility is stating your opinions and beliefs, without degrading someone else in the process. Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That is why we say "Character Counts" in the City of Clewiston. Civility is practiced at all City meetings.

**Special Needs:** In accordance with the provisions of the American with Disabilities Act (ADA), persons in need of a special accommodation to participate in this proceeding shall within three business days prior to any proceeding, City Hall is wheelchair accessible and accessible parking spaces are available. Please contact the City Clerk's office at (863) 983-1484, extension 104, or email [fransheska.berrios@clewiston-fl.gov](mailto:fransheska.berrios@clewiston-fl.gov) for information or assistance.

**Quasi-Judicial Hearings:** Some of the matters on the agenda may be "quasi-judicial" in nature. City Commission Members are required to disclose all ex-parte communications regarding these items and are subject to voir dire (a preliminary examination of a witness or a juror by a judge or council) by any affected party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment, without being sworn. An unsworn comment will be given its appropriate weight by the City Commission.

**Appeal of Decision:** If a person decides to appeal any decision made by the City Commission with respect to any matter considered at this meeting, he or she will need a record of the proceeding, and for that purpose, may need to ensure that a verbatim record of the proceeding is made, which record includes any testimony and evidence upon which the appeal will be based.
