Plan Submittal Requirements for Special Events

Upon application for a special event permit, a site plan is required. All required distances shall be indicated on the site plan. Permits shall be obtained and all requirements completed prior to a fire inspection.

1-Temporary tents and membrane structures must comply with the individual occupancy requirements for which the tent is being used (Example: mercantile, assembly, industrial, etc.)

2-All plans must include the following general items:

- Dates and hours of the event or usage period (must be located on the site plan or the floor plan)
- "Certificate of Fire Resistance" for the structure
- "Certificate of Fire Resistance" or flame spread documentation for all draperies, curtains, decorations, stage scenery, etc.
- Provide a notarized affidavit indicating that the wiring will comply with NFPA 70 and the name and license number of the electrician installing any electrical wiring in the tent.

3-All plans must include a separate FLOOR PLAN showing all, but not limited to, the following items:

- Locations of required number of exits, and exit capacity (width) based on occupant loads calculated by square footage.
- Dimensions of required aisles and seating row widths shall be accordance with the provisions of aisles and shall not be less than 44 inches in width. Seating row widths shall not be less than 12 inches. Rows shall be increased by 0.3 inch for every additional seat beyond 14, but the width need not be more than 22 inches. When more than 200 loose seats or folding chairs are used they shall be bonded together in groups of three or more.
- Locations of battery back-up exit signs. Exception: Non-illuminated exit signs may be used for events held during daylight hours only.
- Locations of emergency lighting fixtures. Exception: Emergency lighting can be omitted for events held during daylight hours only.
- Seating arrangements for table and chairs with distances between tables (if seating arrangements are provided).
- Location of bleacher/grandstand and their details (if bleachers are provided).

- Stage plan (including mobile stages) and location of egress points, including stair details, ramp details, handrail and guardrail details, etc. (if stage is provided).
- Location of fire extinguishers (1 for each 400 sq.ft. up to 1200 sq.ft., then one for each 1000 sq.ft. thereafter).
- Location of "NO SMOKING" signs

4-All plans must include a separate SITE PLAN including the following:

- Location of the tent in relation to all buildings or structures, roads, parking areas, storage containers, etc. (Minimum 20' separation required).
- Location of generator if applicable (minimum 20' from tent).
- Fire extinguishers are to have a minimum rating of 2A:10BC and be permanently mounted on a support member.

5-All plans submitted for SPARKLER SALES must also include the following:

- State sparkler certificate.
- Copy of state ID of applicant.

6-All cooking operations under a tent or membrane structure must comply with NFPA 1, chapter 50.

- Open or Exposed Flame— Open Flame or other devices emitting flame, fire or heat or any flammable or combustible liquid, gas, charcoal or other cooking device or any other unapproved devices shall not be permitted inside or located within 20 feet of the tent, canopy or membrane structures while open to the public unless approved by the fire department official.
- If approved by fire department official, cooking and heating equipment shall be vented to the outside air by approved means. Cooking and heating equipment shall not be located within 10 feet of an exit or combustible material. Outdoor cooking that produces sparks or grease-laden vapors shall be at least 20 feet from tents, canopies, and membrane structures. The warming of previously prepared food is not considered to be cooking and is exempt from these requirements.
- **Class K Portable Fire Extinguishers** - Concession stands or vendors with cooking operations that include deep fat fryers shall provide a Class K wet chemical extinguisher. A minimum 2A:10BC fire extinguisher shall also be provided.

7- All Generators and power sources- Generators and other internal combustion power sources shall be separated from tents, canopies, and temporary membrane structures by a minimum of 20 feet.

8-Fire Watch-

- All temporary assembly tents with an occupant load of greater than 300 may be required to provide Fire Watch for the duration of the event.
- All permits will be reviewed and may require a fire watch based on information from application and site visit, if appropriate.

FIRE SAFETY PERMIT APPLICATION

A Fire Safety Permit is required for any gathering that takes place on public or private property, an event whether indoors or outdoors, that is held on public property or streets, non-profit organization property or non-residential private property that can reasonably be expected to cause a public gathering that is not part of the normal course of business at the location.

The Fire Safety permit application form must be completed and submitted not less than thirty (30) days in advance of the event.

REQUIREMENTS:

1. Completed application and non-refundable permit fee of \$50.00.
2. Site plan of the event showing all temporary installations in relation to the surroundings. The site plan must show a detailed diagram of the event including the location of concession booths, portable toilets, dumpsters, public, emergency and accessible routes, parking, banners and signs, location of tents, stages, entertainment and orientation of loudspeakers, locations for electricity and water, and other relevant information.
3. If your event includes construction, electrical, plumbing or mechanical work, then the work must receive a final inspection prior to the commencement of the event. If the inspection must be completed after 3:00 p.m. Monday through Friday, over a weekend, or on a National Holiday, then the cost of each inspection will be \$60.00 per hour per inspector (minimum 2 hours, if available). Please note that the specific contractor for the applicable inspection must be on-site at time of inspection. If not, the inspection will be cancelled.

The person or designee in charge of the event must be present at the event and remain at the location for the entire duration of the event.

All field use is by permit only unless an exception is made by the Director of Recreation & Leisure Services. Coaches are responsible for leaving fields, dugouts, and spectators' areas clean. Extra field maintenance for any play, tournament, or special event is considered a "billable" event. It is the responsibility of the user group to maintain a clean and safe concession. The Director of Recreation & Leisure Services is to be notified of all accidents/incidents requiring medical attention. Athletic fields can be used only when field conditions are deemed safe and when use will not create conditions which may cause damage to the fields. If field conditions change during the permit period, the Director of Recreation & Leisure Services reserves the right to close the fields. Security deposit is fully refundable upon cancellation or no damage to the fields.

AGREEMENT OF UNDERSTANDING

I understand the rules and policies of the City of Clewiston and agree to abide by the stated guidelines. I understand any non-compliance may result in the revocation of existing permits, the loss of permits in the future, and loss of security deposit. I also understand non-compliance may result in the revocation of field privileges and/or a fee assessment for damages.

Field Playability, Rules and Regulations

The Park Personnel will decide if the field is playable. This person will use common sense and good judgment in the decision to play. The soil must be firm and free of obstacles that could cause personal injury or field damage before play begins. Water can be broom-dried to remove puddles from infield to expedite play.

- All persons, if given permission to use a field, will abide by all and any directives from the City of Clewiston & Parks and Recreation Personnel.
- All teams and individuals given permission to use a field assume all responsibilities in regards to injury and/or accident and all liabilities, as per insurance requirements listed on Page 1 & 3.
- Permits must be kept with team while using field at all times.
- Teams and individuals given permission to use a field must use the field assigned.
- No exchanging of field permits with another team or individual is allowed.

Rain-outs Rescheduling Procedures

If you are rained out on a given night, you must contact Parks & Recreation Department within 24 hours or the next business day in order to receive a rain-date. A failure to contact this office within the allotted time will result in forfeiture of the rain-date. Rain dates will be scheduled on the same day of the week and the same time period, as your regularly scheduled play dates, unless a mutually agreed upon time and date is reserved. It will be added to your schedules accordingly. All attempts to schedule your rain-date for the earliest possible time will be made.

Parking

All parking must be in designated areas. No vehicles are permitted to park on grassy areas, behind backstops or along the side of fields. Any vehicle parked illegally will be tagged and/or towed at the discretion of the City Police Department.

By signing below, I agree to comply with the above stated rules and regulations concerning the use of the Ball Park Fields.

Plan Submittal Requirements for Special Events

Upon application for a special event permit, a site plan is required. All required distances shall be indicated on the site plan. Permits shall be obtained and all requirements completed prior to a fire inspection.

1-Temporary tents and membrane structures must comply with the individual occupancy requirements for which the tent is being used (Example: mercantile, assembly, industrial, etc.)

2-All plans must include the following general items:

- Dates and hours of the event or usage period (must be located on the site plan or the floor plan)
- "Certificate of Fire Resistance" for the structure
- "Certificate of Fire Resistance" or flame spread documentation for all draperies, curtains, decorations, stage scenery, etc.
- Provide a notarized affidavit indicating that the wiring will comply with NFPA 70 and the name and license number of the electrician installing any electrical wiring in the tent.

3-All plans must include a separate FLOOR PLAN showing all, but not limited to, the following items:

- Locations of required number of exits, and exit capacity (width) based on occupant loads calculated by square footage.
- Dimensions of required aisles and seating row widths shall be accordance with the provisions of aisles and shall not be less than 44 inches in width. Seating row widths shall not be less than 12 inches. Rows shall be increased by 0.3 inch for every additional seat beyond 14, but the width need not be more than 22 inches. When more than 200 loose seats or folding chairs are used they shall be bonded together in groups of three or more.
- Locations of battery back-up exit signs. Exception: Non-illuminated exit signs may be used for events held during daylight hours only.
- Locations of emergency lighting fixtures. Exception: Emergency lighting can be omitted for events held during daylight hours only.
- Seating arrangements for table and chairs with distances between tables (if seating arrangements are provided).
- Location of bleacher/grandstand and their details (if bleachers are provided).

- Stage plan (including mobile stages) and location of egress points, including stair details, ramp details, handrail and guardrail details, etc. (if stage is provided).
- Location of fire extinguishers (1 for each 400 sq.ft. up to 1200 sq.ft., then one for each 1000 sq.ft. thereafter).
- Location of "NO SMOKING" signs

4-All plans must include a separate SITE PLAN including the following:

- Location of the tent in relation to all buildings or structures, roads, parking areas, storage containers, etc. (Minimum 20' separation required).
- Location of generator if applicable (minimum 20' from tent).
- Fire extinguishers are to have a minimum rating of 2A:10BC and be permanently mounted on a support member.

5-All plans submitted for SPARKLER SALES must also include the following:

- State sparkler certificate.
- Copy of state ID of applicant.

6-All cooking operations under a tent or membrane structure must comply with NFPA 1, chapter 50.

- Open or Exposed Flame— Open Flame or other devices emitting flame, fire or heat or any flammable or combustible liquid, gas, charcoal or other cooking device or any other unapproved devices shall not be permitted inside or located within 20 feet of the tent, canopy or membrane structures while open to the public unless approved by the fire department official.
- If approved by fire department official, cooking and heating equipment shall be vented to the outside air by approved means. Cooking and heating equipment shall not be located within 10 feet of an exit or combustible material. Outdoor cooking that produces sparks or grease-laden vapors shall be at least 20 feet from tents, canopies, and membrane structures. The warming of previously prepared food is not considered to be cooking and is exempt from these requirements.
- **Class K Portable Fire Extinguishers** - Concession stands or vendors with cooking operations that include deep fat fryers shall provide a Class K wet chemical extinguisher. A minimum 2A:10BC fire extinguisher shall also be provided.

7- All Generators and power sources- Generators and other internal combustion power sources shall be separated from tents, canopies, and temporary membrane structures by a minimum of 20 feet.

8-Fire Watch-

- All temporary assembly tents with an occupant load of greater than 300 may be required to provide Fire Watch for the duration of the event.
- All permits will be reviewed and may require a fire watch based on information from application and site visit, if appropriate.

FIRE SAFETY PERMIT APPLICATION

A Fire Safety Permit is required for any gathering that takes place on public or private property, an event whether indoors or outdoors, that is held on public property or streets, non-profit organization property or non-residential private property that can reasonably be expected to cause a public gathering that is not part of the normal course of business at the location.

The Fire Safety permit application form must be completed and submitted not less than thirty (30) days in advance of the event.

REQUIREMENTS:

1. Completed application and non-refundable permit fee of \$50.00.
2. Site plan of the event showing all temporary installations in relation to the surroundings. The site plan must show a detailed diagram of the event including the location of concession booths, portable toilets, dumpsters, public, emergency and accessible routes, parking, banners and signs, location of tents, stages, entertainment and orientation of loudspeakers, locations for electricity and water, and other relevant information.
3. If your event includes construction, electrical, plumbing or mechanical work, then the work must receive a final inspection prior to the commencement of the event. If the inspection must be completed after 3:00 p.m. Monday through Friday, over a weekend, or on a National Holiday, then the cost of each inspection will be \$60.00 per hour per inspector (minimum 2 hours, if available). Please note that the specific contractor for the applicable inspection must be on-site at time of inspection. If not, the inspection will be cancelled.

The person or designee in charge of the event must be present at the event and remain at the location for the entire duration of the event.

All field use is by permit only unless an exception is made by the Director of Recreation & Leisure Services. Coaches are responsible for leaving fields, dugouts, and spectators' areas clean. Extra field maintenance for any play, tournament, or special event is considered a "billable" event. It is the responsibility of the user group to maintain a clean and safe concession. The Director of Recreation & Leisure Services is to be notified of all accidents/incidents requiring medical attention. Athletic fields can be used only when field conditions are deemed safe and when use will not create conditions which may cause damage to the fields. If field conditions change during the permit period, the Director of Recreation & Leisure Services reserves the right to close the fields. Security deposit is fully refundable upon cancellation or no damage to the fields.

AGREEMENT OF UNDERSTANDING

I understand the rules and policies of the City of Clewiston and agree to abide by the stated guidelines. I understand any non-compliance may result in the revocation of existing permits, the loss of permits in the future, and loss of security deposit. I also understand non-compliance may result in the revocation of field privileges and/or a fee assessment for damages.

Field Playability, Rules and Regulations

The Park Personnel will decide if the field is playable. This person will use common sense and good judgment in the decision to play. The soil must be firm and free of obstacles that could cause personal injury or field damage before play begins. Water can be broom-dried to remove puddles from infield to expedite play.

- All persons, if given permission to use a field, will abide by all and any directives from the City of Clewiston & Parks and Recreation Personnel.
- All teams and individuals given permission to use a field assume all responsibilities in regards to injury and/or accident and all liabilities, as per insurance requirements listed on Page 1 & 3.
- Permits must be kept with team while using field at all times.
- Teams and individuals given permission to use a field must use the field assigned.
- No exchanging of field permits with another team or individual is allowed.

Rain-outs Rescheduling Procedures

If you are rained out on a given night, you must contact Parks & Recreation Department within 24 hours or the next business day in order to receive a rain-date. A failure to contact this office within the allotted time will result in forfeiture of the rain-date. Rain dates will be scheduled on the same day of the week and the same time period, as your regularly scheduled play dates, unless a mutually agreed upon time and date is reserved. It will be added to your schedules accordingly. All attempts to schedule your rain-date for the earliest possible time will be made.

Parking

All parking must be in designated areas. No vehicles are permitted to park on grassy areas, behind backstops or along the side of fields. Any vehicle parked illegally will be tagged and/or towed at the discretion of the City Police Department.

By signing below, I agree to comply with the above stated rules and regulations concerning the use of the Ball Park Fields.
